09/27/2024

Our associates are passionate about creating and delivering high-performance technology to every consumer that goes above and beyond anything they've ever experienced before. We work incessantly to pioneer unparalleled products that solve existing problems, extraordinary problems and even problems they don't know they have. This is product performance that raises eyebrows and the quality of life.

What We Deliver

Who We Are: By The Numbers

Mark Rosenzweig
Founder

SharkNinja has a proud history as a pioneer in small household appliances, and we continuously create a broad array of products that consumers love. With a legacy that dates back several decades, SharkNinja has transformed from its origins as an early-stage pioneer into a portfolio of trusted, global, billion-dollar brands driving rapid growth and innovation across the multiple categories in which we compete today.
